

Barwon Freedom From Fluoridation  
is seeking your support in a  
**RALLY TO STOP FLUORIDATION**

**Working to end this insidious practice, Barwon Freedom From Fluoridation (BAFF), is organising a rally on the steps of Parliament House. It will highlight hushed-up health problems from water fluoridation to the politicians and the public.**

**ITINERARY: Wednesday the 29th of July 2009 @ 11am.**

Assembly point in the gardens opposite Parliament train station.  
March to the steps of Parliament House @ 12 noon for a 2 hour rally.  
Speakers will be at the Gardens and at Parliament House.  
A deputation will deliver the Mandate to the parliament.  
Flyers highlighting the hidden dangers to be handed out.

**AIM:**

**Our aim is to raise the public's awareness that fluoride may be the cause of some of the following health problems:**

- ☒ Chronic Tiredness, Underactive Thyroid
- ☒ Slowly developing Muscle Weakness
- ☒ Skin Rashes
- ☒ Lowered Intelligence (in children)
- ☒ Respiratory problems/Asthma
- ☒ Digestive complaints

**You Are Exposed Right Now.  
From Every TAP or SHOWER!**

**SUPPORT:**

We call on everybody who feels strongly about this issue to come and support us in a strong show of unity against politicians treating us with this Schedule 7 poison. We look forward to your support.

Let's send a message to this government who promised us that:

**We would make the decision ourselves before the last election.**  
Let them understand: **We are not happy and will let them know this at the next Election!**

'Ignore us at your peril'. Bring your signs and banners and be prepared to make a ruckus. The TV channels will be notified.
